#Ⅲ

WHAT STOOD OUT IN THIS COUNTRY WERE THE ANIMAL EARS THAT GREW FROM ITS CITIZENS' HEADS, AND THEIR ACCEPTANCE OF SAME-SEX MARRIAGES.

CHARACTERS

◆ HARU
FEMALE, 25
MARRIED SENSEI HALF A YEAR AGO
ON HER UNCLE'S RECOMMENDATION.
KNITTING IS HER HOBBY.
GOOD AT ROLLING HER WOOL UP NEATLY.

◆ SENSEI
FEMALE, 31
HARU'S SPOUSE. NOVELIST.
HOBBIES ARE READING AND SPACING OUT.
GOOD AT EATING FISH NEATLY.

◆ UNCLE
MALE, 36
HARU'S UNCLE.
INTRODUCED SENSEI TO HARU.
FELL IN LOVE WITH HER NOVELS
WHEN THEY WEREN'T POPULAR
AND HELPED HER OUT.

I haven't
seen it
before.

I wonder
when it
came in.

A letter?

Organizing
the closet.

Nothing
written on it
about who and
where it's to
be sent to.

But there
is a seal
on it.

Is it an affair?

spaced out

Just who

was that letter meant for?

Like Sensei would do something like that.

No way

Phew

Sigh...

Sensei never sent me any letters.

It's been
a while,
Uncle!

Sorry
for making
you wait.

I was prepared, but it still took some time.

What are you wearing?!

she had her everyday clothes on for an engagement..

This girl when I went to get her,

Please take care of her, Haru-chan.

even though she lacks a bit of common sense.

Well, she's not a bad person

never
got a letter
from you!

B-But I

That's right.

I'm a novelist,
but I can't write
letters at all.

It turned
out pretty
bad

so I didn't
send it out of
embarrassment.

So this is

a letter
for you.

*I look forward to being
able to see you.*

You've been
getting a lot
recently!

Sorry
for always
troubling
you.

Sensed
A letter
for you

Yeah
It's from
my fiancée.

Wh-
What?
You're
getting
married?!

000-0000
/11

Today's
must be like
a novel!

Thump

That's
a problem

I'm scared
they'll get
eaten by
birds.

The
vegetables
planted
last year
are growing
steadily

Giggie

Giggie

She
writes such
carefree
letters.

but if it's
with her..

I always
thought
marriage
wasn't
for me.

GREETINGS

IT'S THE THIRD BOOK IN THE YURI COUPLE SERIES! THIS IS ITOW HACHI.
THIS SERIES WILL CONTINUE FOR JUST A BIT LONGER. I HOPE YOU CONTINUE READING IT.

FOUND THESE INITIAL
SKETCHES WHILE LOOKING
FOR STUFF...

A clumsy letter written with beautiful handwriting...

Is that all you need? (n)
